

School Nurse Foundations #2: Enhancing Care for Students with Medical Complexities

October 9, 2026 • Please arrive by 7:30 am. The training will start promptly at 7:55 am-4:00
Ft Lewis College, 1000 Rim Drive **Student Union: Colorado Room** – located on the second floor by the Ballroom,
Durango, CO, 81301

Faculty

Children's Hospital School Health Team

Overview and Target Audience

Training #2 builds upon foundational knowledge to further develop the clinical skills of School Nurses and Childcare Health Consultants caring for students with medical complexities. Participants will receive focused education on gastrointestinal conditions, central line management, and behavioral health concerns commonly encountered in school settings. Through evidence-based instruction, hands-on learning, case studies, and Ask-the-Expert scenario discussions, attendees will strengthen their ability to manage complex health needs, support individualized care planning, and effectively train and delegate care responsibilities to Unlicensed Assistive Personnel.

Learning Outcomes

Upon completion of this activity, learners will:

- Describe evidence-based assessment, intervention, and emergency response strategies for managing common pediatric health conditions encountered in school and childcare settings.
- Demonstrate safe and competent clinical skills in the management of pediatric health conditions, including gastrointestinal, CVC and delegated care, during hands on skills stations.

Nursing Continuing Professional Development Credit

Registration, sign-in, attendance, and submission of the evaluation are required for successful completion and receipt of the NCPD credit certificate of attendance. Claim only those hours you attend.

Children's Hospital Colorado is approved with distinction as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This educational offering for **6.75** nursing contact hours is provided by Children's Hospital Colorado.

Disclosures: Planners and faculty in control of content have no relevant financial relationships with ineligible companies.

Registration Information

Registration Fee: \$20

No refunds will be granted for non-attendance, although you may send a substitute. In the event the program is canceled, you will be notified, and a full refund will be given. Please visit CE.Childrenscolorado.org to create an account and to register for the training by searching for School Health Nurse Foundations #2 Training. Registration closes Thursday, October 8, 2026. You will receive a confirmation email shortly after completing the registration process.
